CSA Thank you to everyone who has made a pledge to the Catholic Services Appeal. We have reached our diocesan goal of \$61,582! Our project this year is to replace the heating and cooling units in the 4 classrooms off the gymnasium with an estimated cost of \$30,000. Any money we collect beyond our diocesan goal stays at the parish. We currently have just over \$7,000 to put towards the project. If you have not yet made a pledge to the CSA, it's not too late! We'd love to see our project costs met. We appreciate your generosity.

Child Abuse Prevention Month- Recent statistics tell us one in ten children are sexually abused before they turn 18. 91% of sexual abuse is perpetrated by someone the child or the child's family knows. This means that on every Sunday in our congregation there are people who have been abused and may continue to experience the pain of that abuse. Reaching out to those who have suffered from abuse is critical in bringing hope and the love of Christ to them. Assistance is available for victims/survivors of clergy sexual abuse by contacting the Diocesan Victim Assistance Coordinator, Dr. Gerard Tobin at 814-451-1521.
