

**Parish Registration** If you are new to the area, or returning home after graduating college and want to resume your practice of the faith as an adult at St. Joseph, registration forms can be picked up in the parish office or on the parish website. We welcome everyone to our parish community where we continue the mission of Jesus Christ. Call the office if you have any questions.

**Raise Right Gift Cards**

A special thank you to everyone who purchased gift cards during the current school year. What a wonderful way to support Catholic education! St. Joe's School earned over \$29,900 from Raise Right gift card purchases. We will have gift cards available this summer in the parish office, so stop by, we may have the perfect gift card for your summer fun!

**CORPUS CHRISTI** The Catholic Church honors Christ's Presence in the Holy Eucharist with a special feast owing to St. Juliana of Liège, a 13th-century Norbertine canoness from Belgium. She had a great love for the Eucharist. When she was 16, she had a vision in which the Church was a full moon with a dark spot. The dark spot signified that the Church was missing a feast dedicated solely to the Body and Blood of Christ. Even though she had this vision several times, St. Juliana didn't think that she could do anything to help institute this feast. Therefore, she kept it a secret for many years. Once she was elected prioress, she finally told her confessor, who in turn told the bishop. This eventually led to the universal feast of Corpus Christi.
