The Catholic Faith has endured for 2,000 years— now it's our turn to pass it on. Help us form the next generation of faithful Catholics. We ask you to give generously to this year's Catholic Education Collection which will take place on September 20/21. Half of your gift stays right here at Saint Joseph Parish to support our religious education programs. Your support makes faith formation possible.

Jubilee Journey: Pilgrims of Hope

*Celebrating Together
 for Holy Year 2025*

Every September we honor those who lead all generations in the forming of faith, in the sharing of faith and those who witness their experiences and encounters of faith. A catechist is a "Christian who receives a particular calling from God that, when accepted in faith, empowers him for the service of the transmission of faith and for the task of initiating others into the Christian life" (Directory for Catechesis, no. 112).

Our first catechists are all those who form us in our family. We then encounter many people throughout our lives who share and show Christ's love to us. What a blessing to be catechized and what a privilege to be called to catechize. It takes much courage to open your heart, to be vulnerable to others, to share the deepest parts of you, so that others might meet Christ in and through you. Catechesis allows everyone to experience the love of Christ as he intended, by the witness of others in a community.

Our Church is a place of hope, where we are called to carry on the mission of the Great Commission, where Jesus instructed his followers to go and make disciples of all nations. Please join me in sharing Him with all those you meet!
