CHRISTMAS FOOD BASKET MINISTRY

St. Joseph Parish will again partner with the Salvation Army to deliver boxes of food and other home supplies to over 100 of our county's neediest families for Christmas.

The need is great this year with many struggling to feed their families. Monetary donations are gladly accepted to help purchase turkeys and fresh food both locally and through Second Harvest.

Donations can be placed in the offertory basket or dropped off at the church office in an envelope marked "Christmas Food Baskets".

Checks can be made to St. Joseph Church.

Paper towels and toilet paper will also be collected.

Please leave your donations on the altar steps.

If you are unable to give, please support us through your prayers.

We appreciate all you do to help make this ministry a success.

Thank you for your faithful support.

Month of All Souls:

The month of November holds special significance as it is dedicated to the Holy Souls in Purgatory. During this month, the faithful are encouraged to commemorate and pray for all who have died but have not reached the eternal joys of Heaven. St. Paul implores Christians not to "be ignorant concerning the dead," reminding the faithful that death is not the end but a transition for those who die in Christ (1 Thessalonians 4:13-18). So let us engage in meaningful prayer, sacrifices, and acts of charity during this month of All Souls for all our dearly departed.

Advanced Giving
December 2
Giving Tuesday

We are getting ready to kick off the #iGiveCatholic Campaign.

This day of Catholic Giving is on December 2, Giving Tuesday, which is the global day dedicated to generosity. It also kicks off the charitable season when many focus on their holiday and end-of-year giving. Advanced Giving Day begins November 17 through Giving Tuesday at 11:59pm. During this time, you can check out our pages at www.igivecatholic.org/community/erie. Both our parish and our school have special projects that we hope you will consider supporting. Online gifts or offline cash or checks are gladly accepted. To donate by cash or check, envelopes can be found at the doors of the church or parish office.

Thank you for your generosity!

Child Protection & Creating Safe Environments

Know the Warning Signs of a Predator: Perpetrators are not waiting on the street to snatch kids; only 10% of sexually abused children are abused by strangers. 90% are abused by someone known and trusted by the child/child's family. Perpetrators integrate themselves into everyone's life, not just the child. They build relationships so that they are trusted to be alone with the child. One of the most important ways to ensure the safety of children in our environments is to know the warning signs of adults who present a risk of harm to children.

Among these signs are when the person: (1) always wants to be alone with a child in areas where no one can monitor the interactions, (2) allows a child to do things their parents would not permit, (3) is always more excited to be with children than with adults, and (4) discourages others from participating in activities involving kids.

Visit www.eriecd.org/childprotection/ for more information and resources.
